Children's Programs:

- Most of the volunteers in the Children's Ministry are high-risk. These are the volunteers' suggestions for when we begin to worship again in person:
- Children need to remain with their family units in the sanctuary, narthex, or Baby Room.
- There will not be any classes or Nursery in the beginning.
- Until it is safe to have classes, the worship service should be no more than 40 minutes.
- There should be a handout for the kids each Sunday.
- Meanwhile, several parents asked that the new "text-lessons" for kids and families not start until the children finish their school distance learning. The little lessons are through David Cook. We will evaluate after a few weeks to see if the families are using them and if they like them.
