

Dear Sisters in Christ,

Your love of God, perseverance, willingness to give of your time and caring for the needy was evident in the success of this project. The board members of ROOT International thank you for this wonderful gift, the trailers. Because of your hard work & prayers ROOT International will be able to help so many more people.

During this past year our board members were able to meet some of you and we were excited to see the interest you had in our work. ROOT International began in Mercer, PA in 2002. We saw a need to support existing organizations by supplying material resources to help the people to whom they were ministering. We supply food, clothes, furniture, school supplies, Bibles, Christian tracts, building supplies and what ever other items God sends our way.

Our board members, ministry workers, & volunteers are the ones who keep us on course. Today we partner with over 20 organizations, businesses and many churches & ministries in several states. Internationally we are a civil association in Mexico, ROOT International for Mexico. We also have a connection to Ghana, Africa and are donating items to that country.

We are appreciative & thankful for this grant & for supporting our work. I would like to share the following words from the book of James.

What doth it profit, my brethren, though a man say he hath faith, and have not works? Can faith save him? James 2:14

*Blessings, Your brother & sister in Christ,
Arthur & Rebecca Vogan*
