

Pastor Nominating Committee Recommendation Form

{Church Name}

Thank you for taking time to recommend a person to serve on our Pastor Nominating Committee. The Pastor Nominating Committee (PNC) will have the task for bringing to our congregation a candidate to serve as our next pastor. The congregation will then vote on whether or not to ask the Presbytery of Donegal to install the candidate at {Church Name} Presbyterian Church. The PNC will work very hard for the next 12-24 months and will need people of energy, intelligence, imagination, faith, and love. The PNC will need to work together closely and requires people who can listen to others, to our congregation, and to God. Some travel may be required (to hear candidates preach). The committee can meet as often as weekly, and the members of the PNC will need to be able to receive and answer emails. Please prayerfully consider a member of our congregation and let us know!
